STAR WARS THEME**

WHERE YOU ARE THE HERO !

WHAT DOES A LIGHT FORGE CORPORATE DAY PACKAGE CONTAIN ?

1 THEATRICAL COMBAT TRAINING

2 PROFESSIONALLY FILMED FIGHT
PERFORMANCES

3 PERSONALISED STAR WARS POSTERS

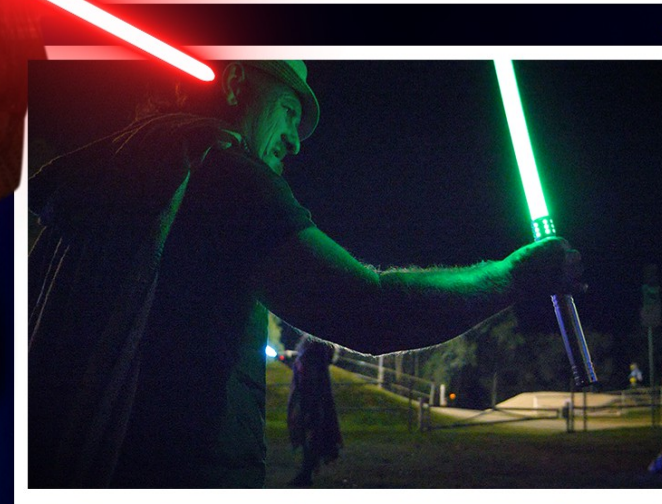

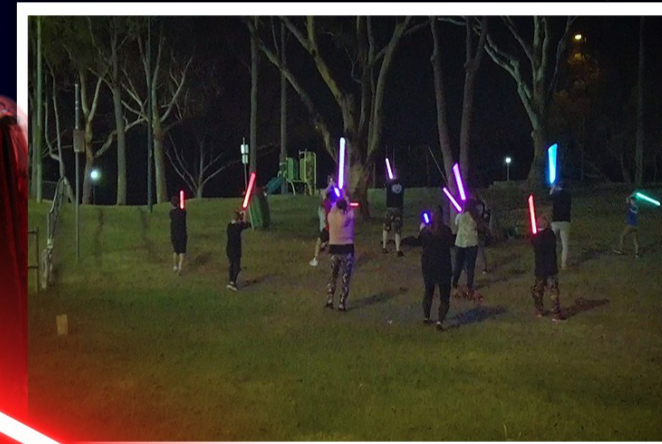

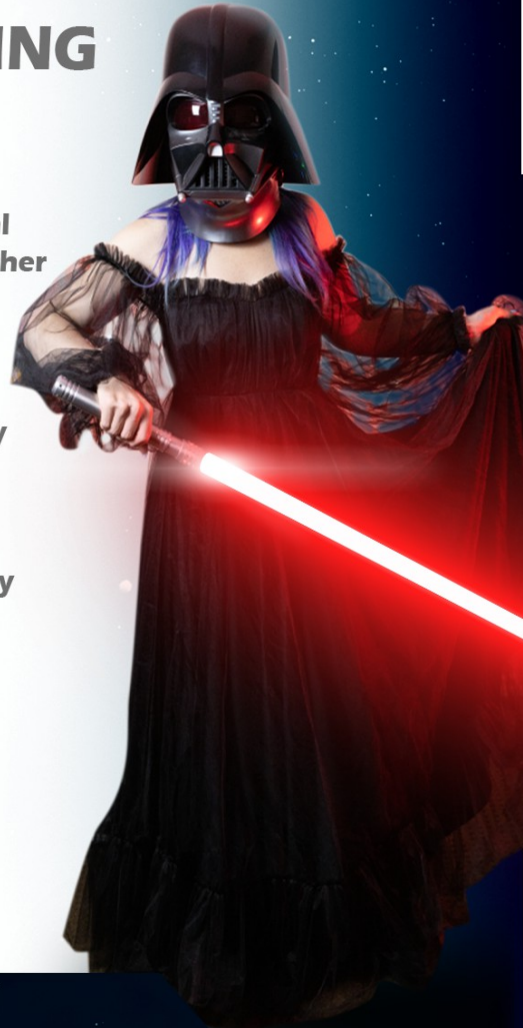

THEATRICAL COMBAT TRAINING

The difference between **COMBAT** and **THEATRICAL COMBAT** is: when in combat you are fighting your opponent - Theatrical Combat you are working with your opponent to make each other look as awesome as possible. This is a particularly effective bonding process as a great deal of trust is forged.

Our head trainer, Justin Banks has worked in the film industry with some big names, including members of the team who choreographed Star Wars Episodes 2 and 3.

Justin has also spent the majority of his life in the film industry in capacities such as: acting, stunts, cinematography, editing, visual effects, film poster creation, music score composition, and much more !

During a **LIGHT4GE** corporate team building day, your chosen team will learn a mixture of kendo, kung-fu, european longsword with a specific method of teaching designed for muscle memory and retention.

PROFESSIONALLY FILMED FIGHT PERFORMANCES

It's time to put what you've learned into practice, in a live film situation. Each pair will experience what it is like to perform a fight for the movies as they navigate their way through multiple strikes, blocks and flourishes they have learned, from multiple camera angles.

Within 14 days of your event, you and your team will receive their professional fight videos, with your company's branding in the background.

Not only will this experience last forever in the memories of your staff but they'll have video evidence of their awesomeness for the rest of their lives - an honour you provided them, which they will love you for

PROFESSIONAL FILM POSTERS

Photoshoot time!

While breaking for lunch, each employee will be photographed with professional lighting, giving their best stoic heroic expression. These images are then transformed into exquisite looking film posters.

YOUR CHOICE !

It's completely up to you whether you want to have each of your employees get individual posters or group posters. You also get the option to:

- 1. Name your new Mock up film
- 2. Include your company Branding
- 3. Include some Star Wars characters along side you
- 4. Choose which famous names to include (example: Directed by "Steven Spiezl-berg")

Or you can just leave it to us - it's entirely up to you !
